OUR JOURNEY TILL DATE

RAJIV AGRAWAL
MANAGING DIRECTOR (MD)

Having started our journey in the year 1995 in Kalol, we are now recognized as a highly esteemed manufacturer and supplier of packaging products with around 2 decades of experience. It is our awareness that guides us in this highly competitive and volatile world which is changing by every passing second. Our quality corrugated boxes at reasonable rates has set exemplary standards in the domestic packaging market.

We are driven by the vision “**to secure your valuables**”, likewise we aim “**to secure you as our valuable**” by providing solutions based on our widespread capabilities in corrugated engineering.

We have mushroomed in every nook and corner adding to the satisfaction of customers. We have done wonders in the past and we are confident of our future. We aim to increase our volumes across every corner and quadruple our value in the market. The company has been constantly upgrading its infrastructure and network extensions. With a dedicated team of people at all levels, I am confident that Mahip Industries Ltd. will continue to deliver outstanding results in all days to come. Meeting customer expectations and ensuring their satisfaction at all times has been made possible by the untiring efforts of our staff. The most significant feature of these packaging products is that they are environment friendly and gets easily decomposed without damaging or creating pollution in environment. Currently, we have our new manufacturing unit at Dholka, Ahmedabad which is spread across a vast area of 25000sq.meter.
